Memorial School Faces The Tempest

The works of William Shakespeare are a challenge for students at any grade level. But the tongue-tying turns of The Great Bard can be even more so for someone in elementary school ... unless, of course, when guided under the watchful eye of Memorial School teacher Danni Kleiman.

For the past two months, Ms. Kleiman has been rehearsing students in Grades 5 and 6 at the Rochester school for a performance of *The Tempest*, the school's eighth annual dramatic presentation and their seventh attempt at a Shakespeare production. Despite the many potential pitfalls of staging such a complex work, Ms. Kleiman seems to take it all in stride.

"Many of the parents come in expecting a very amateurish 'elementary school' production," she said during a rehearsal earlier this week. "But they all go away impressed. We've gotten a great deal of support from parents over the years ... and they've all been very happy with the results."

Though *The Tempest* may be considered one of Shakespeare's more difficult plays to stage, Ms. Kleiman said it has actually been one of their easiest productions to date. In dealing with fifth and sixth grade students, she admitted that the romances tended to be a little more challenging. "It's difficult to stage a romance with this age group," she said. "*Romeo and Juliet* was actually harder to produce than this play."

A Rochester resident and nine-year veteran of Memorial School, Ms. Kleiman has previously directed *A Midsummer Night's Dream, The Taming of the Shrew, Romeo and Juliet, Twelfth Night, Much Ado About Nothing*, and *Macbeth*. She also directed a production of *Arsenic and Old Lace* one year, "just to take a break from the Shakespeare works," she said.

The idea to perform Shakespeare with Grade 5 and 6 students first came to her several years ago when she discovered a book called *Shake Hands with Shakespeare*, which included condensed and edited versions of the playwright's famous works.

"The book was good ... but the plays were almost edited too much," she said.

Ms. Kleiman took her cue from that collection and began editing some of the plays herself, making them a little more palatable for the younger audience and modernizing some of the language without deleting the essence of the plot.

Ms. Kleiman agreed that although some of the loftier messages may still escape the students, once the lines are explained to them, they tend to enjoy the work more. "They essentially learn by doing," she said. "They may

Also discussed were preliminary plans for North Street expansion and renovation project. Selectman Lambalot noted that any residents who are interested in reviewing these plans may do so at the Mattapoisett Town Hall anytime during regular business hours. The renovation and construction project is set to begin this summer, and a Public Hearing will be held sometime in June to solicit public comment prior to the commencement of work.

There being no further matters to come before the board, they voted to adjourn for the evening at 8:15 pm.

Selectman Winters noted that the board had received some calls from residents complaining about an odor of chlorine and/or discoloration of tap water. Mr. Winters said these are normal conditions of flushing, and the DPW is following all state guidelines in this process.

Under incoming correspondence for the week, the board received a response from Town Counsel Thomas Crotty regarding the proposed zoning amendments being proposed for the Annual Town Meeting warrant by the Planning Board. In particular, Mr. Crotty was asked about the "validity of a proposed zoning amendment which would require a minimum area of upland for computation of minimum lot size." Mr. Crotty agreed that the amendment is both legal and valid as drafted.

The Massachusetts Department of Public Health next requested that the board participate in Violence Prevention: Increase The Peace Weeks, May 14 - 28, 1995. As such, the board unanimously voted to proclaim the week of May 14 through May 28 as

Governor William Weld next sent notification to the board that 1995 marks the 50th anniversary of World War II. As such, he is encouraging cities and towns throughout the Commonwealth to celebrate the Allies' victory by holding events which commemorate World War II veterans.

Chairman Schaefer noted that plans are already under way for a concert to be performed by the Town

Band at the Music Hall on August 21 to commemorate the anniversary of V-J Day (August 14).

Chairman Schaefer next noted receipt of a letter from Eunice Manduka, who had some concerns over the fact that alcohol was being served at an upcoming Music Hall Dance on April 8. Ms. Schaefer wanted to stress that the dance is being run by the Friends of the Music Hall which is not directly associated with the Music Hall Restoration Committee, although the two groups have some common members.

At 7:10 pm, the board met with David Arms and Ellen Stone of the Sippican Historical Society to discuss the Society's plans to raise money to retain and renovate the Marion Post Office.

Mr. Arms explained that the building which now houses the Sippican Historical Society, the Marion Post Office, and a beauty salon is owned by four Converse brothers. When the brothers decided to put the building up for sale, the Sippican Historical Society agreed to buy out the remaining two-thirds of the building so that they could "protect, restore and endow a key centerpiece of town." The additional availability of space will also be needed in the near future as the Sippican Historical Society's collection is constantly growing.

"We've entered a long-term lease with the Post Office and plan to keep it where it is," Mr. Arms said.

"There has been some outside interest in the purchase, but we've managed to come to an agreement (with the Converse brothers). The closing is slated for May 1, 1995."

Mr. Arms said the Sippican Historical Society's goal is to raise $250,000 — $150,000 to purchase the post office building and the remaining $100,000 to be used to make the necessary renovations, including making the building handicap-accessible.

"Peter Converse is chairing our effort and has already made a donation," Mr. Arms said. "We are doing well so far ... right now gifts in hand total some $77,000. After we complete our solicitation effort, we plan to have an Open House in mid-May to allow residents to see what this is all about."

Mr. Arms closed his comments by adding that the Historical Society's Board of Directors agrees with the recently-issued report from the town's Growth Management Committee. "We have lost a pharmacy in the village and are losing open space in outlying areas," reads a release from the Sippican Historical Society. "A vital town center is a key to maintaining the historic nature of (Marion.)"

The Board of Selectmen said they were in full support of this campaign drive and the ongoing efforts of the Sippican Historical Society. "We wish you good luck with this campaign ... I feel people will support

you in any way they can," said Ms. Schaefer.

The board then signed and approved the warrant for the Annual Town Meeting, to be held on April 24, 1995, and the Annual Town Election, to be held on April 28, 1995. Mr. Pickles noted that the Finance Committee will be making their recommendations on the 47-article warrant by Thursday of this week. He also noted that if all the override articles pass, there will be a $318,608 reduction in Free Cash — one of the largest reductions the town has ever had.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:35 pm.

Rochester Selectmen's Meeting

March 27, 1995

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, March 27 at 6:30 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael Murphy, and Administrative Secretary Shirley Ferreira.

After approving the minutes of the March 20 meeting with some corrections from Selectman Hawkes, Chairman Hughes called upon the first of a series of appointments with Communications Department members who were interested in applying for full-time status and/or the position of Chief Dispatcher.

At 6:30 pm the board met with Kelly Hartley, who has been with the department for two years. Ms. Hartley is certified to work with the NCIC computer system, has had on-the-job experience with various emergencies, and has related financial and management skills. She is seeking both a full-time position and a promotion to Chief Dispatcher.

Under incoming correspondence for the week, the board received a response from Conservation Agent Laurell J. Farinon regarding property located on Neck Road and a potential wetlands violation. Ms. Farinon noted that she had inspected the site and was unable to find any violation of the Massachusetts Wetlands Protection Act. The owner, Mr. Cliff Hedges, had removed

approximately 100 yards of loam/sand from the side of an existing hill to square off a bog. According to Ms. Farinon, that qualifies as an exemption under the law.

Fire Department Lt. Scott Weigel next sent a response to the board regarding the appointment of a new Fire Chief. According to Mr. Weigel: "It was a majority vote in favor of the (Fire) Department members choosing a new (Fire) Chief. After a long discussion ... the members did agree that the appointment should be made by the Selectmen. A Fire Chief's job is important in that he can handle any situation, from controlling the fire scene to being able to have a good working relationship with the department members. This is something we have always had and hope to continue."

Chairman Hughes then asked his fellow board members if they still wanted to consult one or more area Fire Chiefs in making their appointment. The board agreed that they alone should make the final decision based on a recommendation of the Fire Department personnel.

The board next received a letter of resignation from Richard D. Cutler, who is stepping down from his position with the Zoning Board of Appeals, effective April 1995. Mr. Cutler said the time constraints of the position are taking their toll, and he can no longer devote as much time to the board. "It is time for me to step aside and make room for a fresh voice," he wrote. "But I leave the Zoning Board of Appeals with full confidence that the Town of Rochester is represented by a group of dedicated citizens any town would be proud to have."

The Selectmen agreed to send a letter of appreciation to Mr. Cutler for his past service to the town and noted that anyone interested in filling the resulting vacancy on the Zoning Board of Appeals should send a letter and resume to the Board of Selectmen, c/o Town

Superintendent of Schools Joan M. Walsh next submitted a draft article to be placed on the town's upcoming Annual Town Meeting. The article is a request for $12,000 to design, equip and install a lead copper corrosion control system to the water supply at the Rochester Memorial School. But Selectman Hawkes questioned why this appropriation wasn't included in the regular school budget. "I want to know why a special article is being submitted for this," she said.

The board unanimously voted to inquire as to the School Committee's reasons for placing this appropriation on the Town Meeting warrant.

At 6:45 pm, the board met with Kimberly Eldridge

Under Old Business for the week, Chairman Hughes informed his fellow board members that his work associate, Paul Oakes, could meet with them on Saturday, April 8 at 12:30 pm to offer some advice on the purchasing of new computer equipment for the Communications Center. Mr. Oakes is a computer consultant who had offered her services at no cost to the town. The board agreed to meet with him at that time, along with the Police Chief, Chief Dispatcher, and a representative of the Fire Department.

At 7:15 pm the board met with Kathryn O'Brien, who is seeking the position of Chief Dispatcher. Ms. O'Brien has been working for the Communications Department for about a year and a half, is familiar with the procedural policies of the department, and also has a background in management and business.

Lastly, the board met with Hilda Leconte at 7:30 pm, who is seeking full-time status with the Communications Department. Ms. Leconte was formerly a police matron with the Town of Rochester and has worked a year and a half with Lakeville and two years with Marion as a dispatcher. She is familiar with the E-911 system, is NCIC and LEAPS certified, and plans to be re-certified in CPR and as a First Responder.

Upon concluding the interviews, the board agreed to hold on making their final decision until they hear from Dispatcher Elmer Lawrence as to whether he is interested in staying with the department on a full-time basis.

At 7:35 pm, the board met with Police Chief Walter V. Denham to discuss his request for a new police cruiser and the accompanying itemized equipment. One o Chairman Hughes' chief concerns was the fact that the

cruiser was only available in white, and Chief Denham had requested $750 to have the new vehicle repainted blue.

Chief Denham explained that the Police Department had decided last year to select a different color for the police cruisers so that the vehicles would stand out from the others which drive through town. "We have four other towns that drive through Rochester," Chief Denham said. "I think it's important to be able to identify our own cruisers ... this sets them apart."

Chief Denham further explained that he had talked to a Ford dealer last year, and they told him that blue would be a standard color option from now on. But the new models are not available in blue.

"If the prices are going to go up every year, I'd rather stay with the standard white cruisers," Selectman Murphy said. "I think $750 every year to paint a cruiser is a lot of money."

Chairman Hughes also questioned some other options, including a center console system, a new police radio, a siren system and speaker, a fire extinguisher, and a rechargeable flashlight — items which could be transferred from another cruiser, but which Chief Denham felt should be updated.

But Selectman Hawkes became flustered with the questioning and asked why her fellow board members didn't let the townspeople decide if they wanted to pay for the new cruiser and the related options. "I think the article should stay as-is," she said, "and let the people decide if they want to fund it."

Upon adding a few other features — including a 100,000-mile warranty and a dashboard-mounted radar unit — the board unanimously voted to place an article in the amount of $30,103 on the Annual Town Meeting warrant to purchase and equip a new police cruiser.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:11 pm.

Screening Clinic in Marion

In an effort to make services more accessible to tri-town area families, the ORR School District has collaborated with the Kennedy-Donovan Early Intervention Program, MSPCC, and the I.H. Schwartz Early Intervention Program to offer screening clinics in Marion, Mattapoisett, and Rochester for children from birth to age three. These clinics will be held in conjunction with the district's regular screening clinics for three- and four-year-old children.

Like the clinics for three- and four-year-olds, families who question their child's development have the opportunity to bring the child for a screening appointment. If further services are needed, the Early Intervention Program will provide what is necessary. Early Intervention Programs are responsible for providing these services for the birth to age three population. Local school districts are responsible for providing such services for three- and four-year-olds.

Teams from Kennedy-Donovan, and I.H. Schwartz will conduct the screenings for children from birth to age three. Project GROW staff will conduct the screenings for three- and four-year-old children.

An expanded screening clinic is scheduled for April 7 at the Sippican School in Marion. To make appointments for screening clinics, call the Sippican

CLOSING AND THE SELLER

If you are about to close the sale of your home, there are steps you should be aware of to make the closing as smooth as possible.

Normally, you and your attorney will be responsible for drawing the new deed and bringing this document to the closing. The purchase of tax stamps may also be necessary. You will need a copy of your most recent tax bill, which should be receipted if it has been paid. If the insurance or mortgage is to be assumed by the new buyer, you will need these payment books, policies, etc.

When the sale involves income, as for rental properties, the seller should bring leases, rent schedules, escrow statements for deposits held and a letter to be sent to tenants notifying them of the ownership change. Of course, you would also bring keys, garage door openers, and the like to the closing.

If you choose our agency to handle the sale of your home, you'll be sure that all the bases will be covered. Then you can walk out with cash in hand and celebrate.

Call Fisher & Rocha today with any of your Real Estate questions or needs, we're here to help!! 758-6738.

Sippican Choral Society Concerts

The first of the Sippican Choral Society's two Spring Concerts will be performed at the Wareham Town Hall on Saturday, April 8, and will feature favorite choral masterpieces of the western world. The second concert will be held at the Unitarian Memorial Church in Fairhaven on Saturday, April 29. Both concerts will begin at 8:00 pm.

Regarding the Wareham concert, chorus president Barbara Dadagian said, "We wanted to perform in Wareham because almost 25 percent of our members are now from Wareham, but we haven't performed there for several years. We just felt it was time to give back something to Wareham in return for all the support we receive from the town's people."

Ms. Dadagian noted that "for the past several years the Wareham Council on the Arts has also been an important financial supporter of the chorus, and so the first of our Spring Concerts is a way of reaching out to the community and bringing our music to the town's citizens."

Both the concert in Wareham and the one in Fairhaven will feature individual selections from the great choral works of the western world, including selections by Back, Mozart, Haydn, Beethoven, Fauré, Thompson, and Gounod.

For instance, the chorus will perform Handel's "Allelujah" from *Judas Maccabeus*, "Anthem for Spring" from Mascagni's opera *Cavalleria Rusticana*, the "Libera Me" from Fauré's *Requiem*, Bach's "Jesu, Joy of Man's Desiring," and the "Sanctus" from Gounod's *Saint Cecelia Mass*. The finale will be a magnificent rendition of the "Battle Hymn of the Republic," by Julia Ward Howe, which the chorus had sung previously, most notably as

part of its concert to celebrate the nation's Bicentennial in 1976.

The Sippican Choral Society is dedicating both concerts in memory of Barbara Macy, one of the chorus' founding members, who died earlier this year. Ms. Macy sang with the chorus for over 25 years until her retirement four years ago, serving on its Board of Directors for several years as well.

Now in the midst of its 31st season, the 60-member Sippican Choral Society is under the direction of Peter West, with Corinne Peck as accompanist. The group performs at least two concerts every year, singing works by many of the world's great composers as well as lighter

Tabor Academy's *Global Values Project*, Marion resident Tom Milutin has confirmed his invitation to Zvonimir Separovic, former Croatian Minister for Foreign Affairs, to talk locally about current issues facing the Balkan region. As part of a visit to the United States, including meetings with senior Washington politicians, Separovic will speak in Lyndon South Auditorium at Tabor Academy on Wednesday, April 5 from 7:15 - 8:30 pm.

As the world's attention has been diverted to other regions, the human tragedy of the Balkan War has continued unabated. Separovic, who has also served as the first Croation Ambassador to the United Nations and is currently a professor of Law at Zagreb University, will discuss the origins and consequences of the Balkan War. Members of the public are welcome and encouraged to attend. This event is sponsored by The Marion Foundation. For further information, please call 748-0816, or 748-3744.

Rochester Men's Bowling League

At the Bowlmor Lanes in Mattapoisett on March 8, a 451 by Hartley Sawmill's ace, Lou McKay, sent Boulevard Funeral Home back home empty handed. Top mortician was Al Pepin with 375. John Dubrowski (451) paced Beaton Cranberry to a two-point victory over John Hammond (417) and his Bowlmor Five. The Bowling Stones with Ed DeMello (354) ended up pointless as Tommy O'Leary unleashed a 448 for the Sturtevants.

On March 15, Bowlmor Five (Bubba Hunter, 401) established themselves two point victors over the Bowling Stones whose top bowler was Danny Scroth, Jr. (398). Tommy O'Leary was high man again for Sturtevant and Hook as they snatched two points from Dave Belong (336) and Boulevard Funeral Home. Hartley Sawmill, inspried

CANDIDATE FOR ASSESSOR ANNOUNCEMENT

As April 4th approaches, I would like to ask the voters to continue their support in my bid for re-election as Assessor. I have enjoyed serving the people of Mattapoisett during the past 6 years and hope to continue to do so for another term. I have taken special pride and satisfaction during my tenure in office in initiating and achieving the following goals:

I) Opening the Assessor's Office to the public on Tuesday evenings.

2) Hiring a well-trained personable administrative assistant.

3) Abandoning the prior practice of having expensive outside consultants to perform the task of revaluation of property and conducting the revaluation in-house. This change alone results in an annualized savings of approximately $25,000.00 per year.

4) Computerization of the Assessor's Office.

5) Assisting in the computerization of the town Treasurer's Office and networking between our two offices.

6) Installation of a counter computer terminal available to the public during office hours.

7) Reducing the annual budget of our office.

Having accomplished the aforementioned goals, I ask for your support in continuing my role as an Assessor.

An experienced, competent Board of Assessors is vital to the well-being of our town. Our present Board is composed of a unique blend of knowledgeable individuals who are able to work in harmony. We are dedicated, hardworking and fair-minded. I believe it is critical that the town maintain this continuity and allow us to proceed on our positive course.

I think most residents acknowledge the improvements implemented in the Assessor's office during the past few years. I am proud of these achievements and request your support on election day in order to carry on the efficient operations of our office.

by a 404 from Robbie Dexter, edged two points from Beaton Cranberry. Mike Mann's 408 was high for the farmers.

Recent tournament champion Danny Schroth Jr. turned in a nice 406 for the Bowling Stones on March 22. Unfortunately, Louis McKay (429) and Hartley Sawmill would allow them only one point. Bowlmor continued their winning ways by sneaking two points from Tommy O'Leary (409) and Sturtevant and Hook. Bowlmor's top man was Del Haloway with a 413. Beaton Cranberry (John Dubrowski, 441) closed the door on Boulevard Funeral Home and would allow them but one point. Dave Belong's 376 was tops for the undertakers.

We thought the nursing home was our only choice.

Last year was not one of my mother's best. She was living in an apartment, not far from here. She couldn't get out much and needed some help to keep living on her own. We started looking at nursing homes. We didn't want to but we didn't know we had a choice.

Then we heard about the Friendly Harbor Adult Day Health Center.

They have all kinds of social activities for people like my mother - all important health care services too. The Day Health program is Medicaid approved and wheel-chair accessible. They pick my mother up every morning and drop her off in the afternoon.

My mother is still on her own now - living free and easy thanks to Adult Day Health Care. The staff and participants invite you to come and visit. They will arrange a free day and transportation if you need it. Just call them and ask for Jenifer or Jacqueline.

Lyme Disease Talk

A group of more than 50 people in Old Lyme, CT — many of them children — developed a mysterious disease in 1975 that resulted in inflammatory arthritis. The cause of the disease and the mode of transmission were eventually identified as tick-transmitted, specifically the deer tick. Named Lyme Disease after the town, it had been previously reported in Wisconsin and Europe, although the causative agent was not determined until after the Connecticut outbreak.

In humans, Lyme Disease causes a variety of symptoms including headaches, fever, general malaise, a characteristic red rash, and arthritis. If left untreated, Lyme Disease can result in heart damage and damage to the nervous system. Anyone who spends time outdoors may develop Lyme Disease; however, it is preventable and

Mary Ellen is a vibrant presenter who, in addition to the knowledge she imparts, will provide each participant with activities and materials to use in the classroom and a packet from National Geographic containing a teacher's guide and educational posters reflecting the wilderness theme. A signed certificate of attendance for your recertification portfolio will be presented by the Museum.

Let us share our vital statistics

The most vital statistics in our Certified Nurse Midwifery practice are the close to 1000 babies we've helped into the world during the past nine years at Tobey Hospital. But we're very proud of some other statistics as well.

They're testimony to the unique, supportive care we give each patient.

During the past year:

- **We had a cesarean rate of just 9 % (national rate is 25%)**
- **87 % of our patients had uncomplicated vaginal deliveries, with minimal intervention.**
- **91 % of our patients were able to labor, deliver and recover in a single room setting.**

The Wanderer Keel Award

The Wanderer is currently soliciting nominations for the second annual "Wanderer Keel Award."

The annual honor — which is presented to one resident from each of the three towns — will be announced in our May 12 issue, and each of the winners will be the subject of a feature story highlighting their contributions to the local community. But *The Wanderer* needs your help in selecting these "unsung heroes."

The requirements are simple. Nominees must be legal residents of Marion, Mattapoisett, or Rochester (at least five years), and must have contributed in some way to the overall benefit of the community — either directly to town residents, or indirectly through their efforts in promoting town activities, or working to keep the wheels of local government well-oiled. The only restriction is that these persons cannot personally benefit from their efforts in any way — either financially or politically.

In doing this, we hope to applaud those who are rarely recognized for their countless hours of service and focus on the many people "behind the scenes" who remain otherwise anonymous but provide crucial support to

Like the keel of a ship, which keeps the vessel from capsizing, the three recipients of the Annual Wanderer Keel Award will be recognized for their stalwart efforts in keeping the local community on "even keel."

Last year's recipients were: Maurice "Mudgie" Tavares (Mattapoisett); Claire Russell (Marion); and Joseph McCarthy (Rochester).
